Coast

On the Oregon Coast, the sea is never the same. The ever-changing seascape may be bright and sparkling, calm and pensive or gray and tempestuous, but never boring, always evocative. 🌊 Situated on its very edge, The Stephanie Inn observes the rhythm of the sea, but remains constant, never changing in the pursuit of excellence. 🏡 Ours is a place of repose, respite; calm sanctuary from the unnatural rhythms of a hectic world. 🌿 Here you will find the elegance of the finest hostelrys of Europe, combined with the charm and quiet seclusion of an enchanting New England style country inn.
